AURORA / LAUNCH STUDIO

# A little clarity.

A fictional launch brief for the local webapp showcase.

## The next useful step

1. Make the language clear.
2. Keep decisions connected to their evidence.
3. Leave the next person a useful record.

Launch review: October 19, 2026 at 14:00 Pacific.

Prepared for the Aurora Studio demo workspace.

Clear words. Connected work. Space to think.
